Eduardo Antonio Saavedra Quijada

Sonora, México · www.linkedin.com/in/chelalo · +52 631 105 6307 · eduardosaavedra687@gmail.com

I love designing and developing software solutions, always striving for the best possible outcome. I enjoy learning from others and believe in the importance of continuous improvement and knowledge sharing. My passion lies in contributing to team success by bringing my expertise and enthusiasm to the table. I am eager to collaborate with a forward-thinking, market-leading company where I can leverage my skills to drive innovation and efficiency.

WORK EXPERIENCE

Under Apps Systems   **Sonora, México**
Backend Developer   *September 2023 – Oct 2024*

- Maintenance and bug fixing in four microservices, three of them developed in NodeJS with Express and the fourth in Java with Spring Boot.
- Development of endpoints in NodeJS with Javascript and Typescript.
- Design and implementation of database schemas.
- Design and development of an application using Hono, Drizzle, Zod, and authentication with JWT and refresh tokens in NodeJS with Typescript.
- Dockerization of applications in development and production.
- Implementation of a reverse proxy with NGINX.
- Unit testing with Jest and Hono's Testing Helper.
- Creation of temporary databases during testing.
- Documentation with Typedoc.
- Automation of processes with bash scripts and scripts in package.json.
- Participated in projects implementing agile methodologies.

ACADEMIC BACKGROUND

UNIVERSIDAD TECNOLÓGICA de NOGALES   **Sonora, México**
Engineering in Software Development and Management   *August 2021 - April 2025*
Honors: First place in academic achievement from start to finish of my studies.
Participated in the COMIA event on artificial intelligence, presenting a poster and showcasing it at other local schools.

TECHNICAL SKILLS

Languages
Javascript, Go, PHP
Databases
PostgreSQL, MySQL, MongoDB
